

'Drunk Driving. Over the Limit. Under Arrest.'

Law Enforcement Equipment Description

DUI Trailer

The DUI Trailer has a light tower and interior work area equipped to process individuals arrested for suspected drunken driving.

"Ghost" DUI Vehicle

The low profile DUI Traffic enforcement "ghost car" is white with subdued graphics, in-car video with cameras front and rear, and equipped to enforce DUI investigations as well all traffic enforcement.

DUI Command Vehicle

The DUI Command Vehicle, funded through the Office of Traffic Safety, is available at DUI Checkpoints for law enforcement officers to process and detain drunk drivers.
