

ToGetThere is MADD's new campaign to end impaired driving.

This holiday season we will turn 21 million risks on the road to zero.

To ensure more people can get there for more cherished moments with loved ones.

ToGetThere symbolizes decades of MADD's work To Get Here today

having reduced drunk driving deaths by 50% since our founding in 1980 – and what it will take

To Get There – to a world with **NO MORE VICTIMS** from impaired driving – together.

Your support helps ensure that this season, we'll all get there for more holiday meals, more singalongs, and more beloved moments **together**.

Join the movement

to end impaired driving this holiday

and give to make sure there are
NO MORE VICTIMS of this violent,
preventable crime.

By working together, we can all
move forward to a safer future
where we all get there.

— MOVING FORWARD —
TO A SAFER HOLIDAY SEASON

**During the 2023 holiday season
from November 1 through December 31
there are 21 million chances
you or a loved one could encounter
a drunk driver on the road. (CDC)**

The holidays are meant to be full of love, laughter, and lasting memories. Yet, these deeply cherished moments are always at risk. Alarming, someone is killed or injured in a **drunk driving crash every 79 seconds.** (NHTSA)

December is Impaired Driving Prevention Month – yet shockingly, drunk driving crashes surge as much as 40% during the holidays. Sadly, 1,247 people lost their lives in alcohol-related crashes between Thanksgiving and New Year's Eve in 2021. (NHTSA)

**Safe driving solutions have
never been more critical.**

What can you do to help?

This holiday season, please give to end impaired driving, so everyone is able **ToGetThere** for more love, laughter, and lasting memories.
